INT. LEXI'S LIVING ROOM - NIGHT

LEXI BLOOM, 18, beautiful, wears kawai dress, sits on the couch, and waits.

MOM, 55, shabby, sits next to Lexi on the couch.

LEXI

Mom, do you think he's coming? What if he never shows up?

MOM

Hon, he's going to come. It'll be okay if he doesn't. Then we can spend the night doing puzzles.

LEXI

Oh no, Mom, that's alright.

Lexi paces back and forth throughout the living room.

LEXI (CONT'D)

You know what? Forget this. I don't deserve to be stood up. Any guy would be lucky to have me.

MOM

Please, sit and calm down. Maybe his car broke down.

Lexi picks up a black lamp and throws it against the door. The lamp SHATTERS.

MOM (CONT'D)

Okay. That is enough. You need to control yourself or you won't be going anywhere tonight.

LEXI

Not just some dumb guy, Mom. It's Marc.

MOM

Oh, Marc. My bad.

Lexi sits on the couch, reaches for her Iphone.

LEXI

I still have no calls and no messages.

MOM

I wish I could do something.

LEXI

I might just call my best friend,
see if she can get hold of him.

Lexi's Iphone vibrates.

ON LEXI'S IPHONE SCREEN

The text message reads: Hey babe. Sorry I won't be picking you up tonight for homecoming. Actually, I don't think we should be with each other anymore. It's just not working out for me. Bye.

LEXI (CONT'D)

Wow. Are you serious right now? He could of called me, that would of hurt less.

ALONNA, 18, beautiful, knocks on Lexi's door.

Lexi runs to the door and opens it.

LEXI (CONT'D)

Oh my god, you should of texted me you were coming.

ALONNA

Well, that'll ruin the surprise.
Don't you think?

INT. LIVING ROOM - LATER

ALONNA

Forget that boy, are you going to let him ruin your night?

Lexi grabs a throw blanket off a book shelf next to the front door and sits on the couch.

LEXI

I mean he already has. Lon, he broke my heart. I would rather if he called me. He didn't even give me a valid reason for the break up.

Alonna sits next to Lexi.

ALONNA

Yeah, boo. He's hiding something.

LEXI

So, what now? I'm in this expensive dress and wearing makeup for nothing?

ALONNA

No. I wouldn't say for nothing. I do have something in mind, though.

Lexi quickly stands up and throws the blanket off.

LEXI

What is it, girl?

ALONNA

Okay. College party. Tonight. Let's go.

LEXI

Hell yea, let's go. It has to be better than this.

Alonna and Lexi runs out the door.

INT. COLLEGE PARTY - NIGHT

Bright lights shine throughout the crowded room.

Alonna and Lexi enter the party.

Lexi looks to her left and sees Marc.

LEXI

Oh no. This is a nightmare. Alonna, I should have known.

ALONNA

What? What happened?

LEXI

You didn't tell me he was going to be here.

ALONNA

Would it have mattered? You need to take back tonight. Who cares if he's here or not.

Lexi and Alonna walk to the back of the party near alcohol beverages.

Lexi glances at Marc and sees him kissing a brunette, tall girl.

LEXI

Are you serious? You are such a liar.

Lexi throws her drink down and walks over to Marc.

ALONNA

Oh no, this can't be good. Lexi, don't do this.

Lexi slaps Marc's drink out of his hand.

LEXI

You are a liar. You left me for this? Explain yourself, Marc.

MARC, 18, handsome.

MARC

I can explain. Can we go somewhere and talk?

LEXI

No. Why would I talk to you? You broke up with me on homecoming night. Then, go to a college party with some chick, and show her off?

MARC

Okay. I'm the bad guy, but I don't want to be tied down.

LEXI

Then don't get in a committed relationship for a year and tell me lies.

Lexi walks off and hugs Alonna.

MARC

Lexi, come on.

Alonna walks up to Marc, smiles at him, and slaps his face.

ALONNA

You think you can hurt my friend and I'm not going to retaliate? You know how I am. Come near her again and you're going to wish you hadn't.

Alonna takes Lexi's hand and starts to dance to Hip Hop music.

LEXI
Guess what?

ALONNA
Um, what?

LEXI
You're the best for that. I never thought in a million years I would stand up to him. You did too and that was awesome.

ALONNA
No one hurts my best friend.
Especially you, Lex.

Lexi spins Alonna while they dance.

LEXI
I appreciate that. Maybe, we should get him to leave. So, we can enjoy our night.

ALONNA
Maybe so, girl. You deserve to enjoy this night. What do you have in mind?

Lexi whispers in Alonna's ear.

LEXI
I should kiss you. He will definitely hate that.

ALONNA
You think so?

LEXI
Yes. He's kind of homophobic.

ALONNA
Then why were you with him?

LEXI
That's not the point. Please?

Alonna leans in, grabs Lexi and kisses her.

LEXI (CONT'D)
Wow, I didn't expect that.

Marc walks over to Alonna and Lexi.

MARC

Look, I know I fucked up but you
don't have to embarrass me. Get out
of here.

Alonna gets in Marc's face.

ALONNA

Or what? You'll try to make Lexi
jealous, or try to hurt her
mentally like you once did?

MARC

She still loves me and the thought
of me being with someone else,
kills her.

Lexi steps up to Marc and shoves him.

LEXI

You really think I care what you do
here? I didn't have much self-worth
before. I was codependent on some
boy. Oh, but now--

MARC

--But now what?

Lexi takes Alonna's hand and dances in the middle of the
dance floor.

LEXI

I can have fun with or without you.
You are the most toxic person I
know. Alonna helped me see that.
I've grown tonight, and you hate to
see that.

MARC

I really don't care.

LEXI

You just said otherwise.

Everyone stares at Marc, he starts to sweat.

Lexi kisses Alonna in the middle of the dance floor.

MARC

Is this supposed to make me
jealous?

ALONNA

No.

LEXI

No, this is to make you realize
that I have grown and I don't need
you.

ALONNA

You got that, Marc?

MARC

Oh yea? What are you going to do
without me? You're relevant because
of me.

LEXI

Oh silly, pathetic boy, I don't
care to be relevant. I'm just
trying to live my life. As long as
I have the support system I need,
I'm good.

ALONNA

You hear that? Marc, I think it's
time for you to leave. You've done
enough for today.

Marc storms out the party and slams the door.

Lexi and Alonna continue to dance for the rest of the night.

LEXI

Thank you Alonna, for this
incredible night.

ALONNA

I will always have your back. I'm
glad you were able to stand up for
yourself tonight.

LEXI

Yeah, I realized my self-worth,
finally. I didn't realize it was
possible.

ALONNA

Us woman, have to stick together.
Of course it's possible. You just
need someone to direct you.

LEXI

You are right, Lon. At least I have
you to guide me.

ALONNA

Of course, I'm always here for you.

LEXI

I'm always here for you as well.

THE END.
